Dear SHIVAM GUPTA

DONATION ID. NO: 2019002409

We are grateful to you for your noble gesture of donating blood.

We appreciate your efforts for saving life. This is very kind & Humanitarian act. we have prepared the components and screened the unit for antibodies by enhanced chemiluminescence's technology for

Anti HIV I & II, HCV, HBsAG and found them Non reactive (Test done by screening methods used for blood banking, get it confirmed further by confirmatory test). Syphilis and Antigenic test for Malaria were found Negative.

Your blood group is A POSITIVE and irregular antibody screen is Negative.

We request you to spread awareness about how this simple act of blood donation gives life and brings smiles for all.

We hope you will come forward and donate blood again at Mother Teresa Blood Bank (A Unit of Mother Teresa Foundation) Lic. No:- 3/UA/SC/P/BB/2018 and be the difference between life and death for some one.

We thank you one again

With warm regards,

Dr. Prashant Singh
