

Training programs / Capacity building Programs

List of training programmes/capacity building activities are illustrated in the tabular column given below. University of Patanjali and Patanjali Yogpeeth have started patenting the innovations since 2000s. However the patenting activities reports are given from 2017 to 2022. During the last five years, we have given trainings to 52 scientists to create awareness and registration & publications of these patents. The scientists of Patanjali research institute in which the scientists of PRI drug discovery and PRI Herbal Research Department have attended the different training programmes. The name of the scientists and year of training programmes are enlisted below.

Name of the training programme	No. of participants	Year
Hands on Training programme on Medicinal plants	30	2021
Online yoga training programmes	82	2020
Pan India Yoga teacher training programme	500	2019
Ethno-botany training	13	2022
Naturopathy Training	21	2017
