

4.1.1d Any other relevant/ supporting information as per SOP

The University campus is spread over an area of 1300000 sq.ft. with a covered area of 760000 sq.ft. The University has an excellent infrastructure and learning resources like well-furnished ICT enable classrooms, computer lab, library with reading area, departmental labs, seminar halls and auditorium etc. to fulfill academic and extra-curricular needs of the students.

Well-furnished modern residential facilities for boys and girls separately are the part of university campus. Residential facilities for teaching & non-teaching staff are also the integrated part of university campus. All buildings of the campus are well connected with elevators and feeder pillars.

There are 3 main blocks in the campus with State of Art infrastructure:

(I) ADMIN BLOCK:

The offices of all administrative officers of UOP are established in Admin Block. The well designed admin block is constructed in 81945 sq.ft. covered area to manage and run the university smoothly as well as to facilitate the queries and problem of students, staff and visitors.

(II) FACULTY OF ORIENTAL STUDIES BLOCK (YOGA SCIENCE BLOCK):

The UOP is named after the great Indian sage Patanjali (c.900 BC), who first compiled the numerous writings on Yoga in the form of aphorisms. The main goal of Patanjali Yogpeeth is to prepare yogic spiritual India and world which, in turn, will wash away all the diseases, miseries, sorrows, misdeeds, poverty violence and adulteration etc. and fill the world with divinity. The UOP is playing a big role in this direction. University of Patanjali is one of the best Yoga universities not only in India but across the globe. It contributes not merely in yoga education & research rather aims at establishment, investigation and providing scientific basic for the knowledge advanced by the ancient Indian sages and a firm foundation of the same in the emerging field. In addition, various subjects like Sanskrit-Grammar, Sanskrit- Literature, Psychology, Philosophy, Yoga Science, Tourism are taught and research is conducted in these departments. To meet out the requirements of oriental studies a dedicated Faculty of oriental studies block (Yoga Science Block) has been constructed in the campus of UOP having 115301 sq.ft. covered area. There are arrangements of separate chambers for Faculties and conference is also available.
